

Share account details

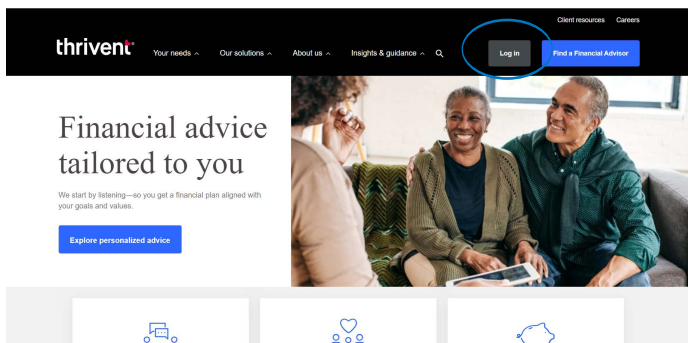

You can share the details of your Life Insurance, Disability Insurance, Long-Term Care Insurance and Annuities with another Thrivent client.

Step 1

Log in to thrivent.com.

Select the "Log In" button and enter your user ID and password.

Or, if you have not registered for an online account, select "Register now."

Client login

Username

You created this when you registered your account online.

Forgot your [username](#) or [password](#)?

Haven't logged in yet? [Register now](#)

By logging into Thrivent.com, I acknowledge and agree to the [Terms of Use & Privacy Policy](#).

OR

Log in to a business or trust account

Account Type

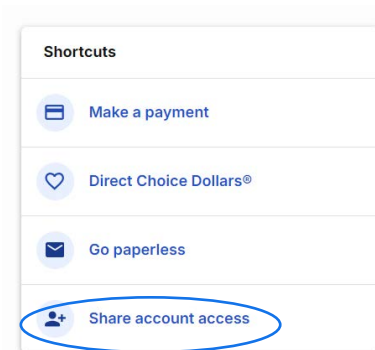

Need Assistance?

Visit the [registration and login FAQ](#)

Call us at **800-847-4836** and say "log in" for help with online access (weekdays, 7 a.m. – 6 p.m. CT)

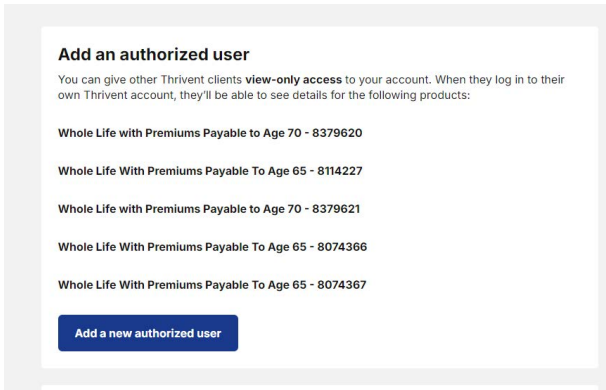

Step 2

Choose "Share account access" from the list of Shortcuts on the Account Overview page.

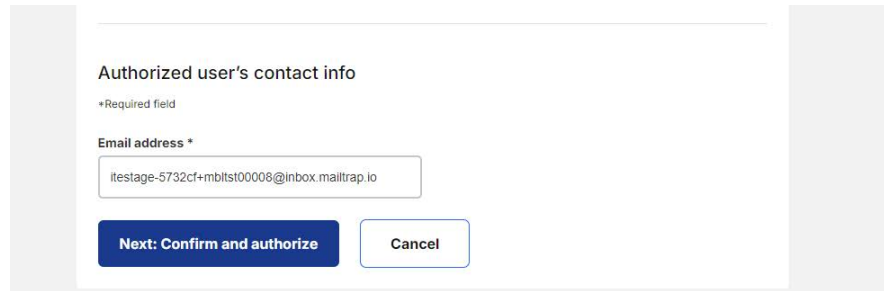

Step 3

Select "Add a new authorized user."

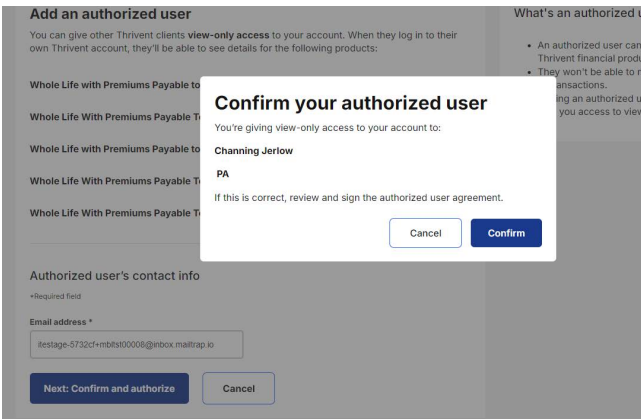

Step 4

Enter the email address for the Thrivent client you are authorizing, then select "Next: Confirm and authorize."

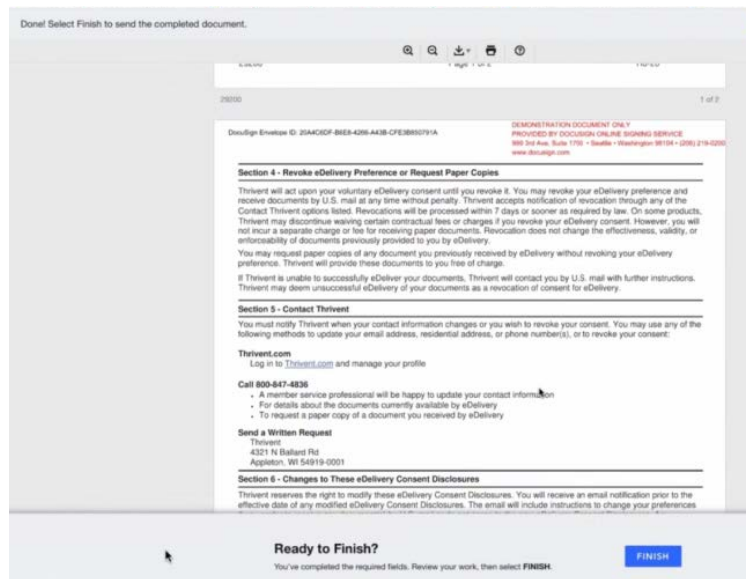

Step 5

Confirm the user you want to authorize.

Step 6

Follow the steps online to complete the DocuSign process.

When complete, you will see a success message. There is no specific limit to how many authorized users you can have.

Authorized users have view-only access within their own login account. They will be able to view details, documents, and balance or value information for the accounts that are shared with them.
