Disclosures

Section 2 - Transaction Information

Transfer - This transaction is not taxable. It will not be reported to the IRS. This is the only option allowed when moving money from a Thrivent Brokerage Account using this form.

Direct Rollover - This transaction is not taxable, but will be reported to the IRS. Current plan administrator paperwork may be required. Contact the former employer or the plan administrator for their required forms. A triggering event must occur to do a rollover from a qualified retirement plan or governmental 457 plan. RMD must be distributed prior to the rollover taking place. If completing a direct rollover from Thrivent Brokerage, contact Securities Brokerage Services for the appropriate form and further instructions.

Conversion (including qualified rollover contributions) - This transaction will be taxable. Complete tax withholding election in Section 7. It will be reported to the IRS. A SIMPLE IRA cannot be converted within two years of your initial SIMPLE IRA contribution. RMD must be distributed prior to the conversion taking place. You must complete the withholding election in Section 7. Conversions are not allowed between Thrivent Brokerage and other Thrivent products. The conversion must take place between two Thrivent Brokerage accounts before being transferred to another Thrivent product.

Cost basis - After-tax money in a traditional IRA cannot be rolled over to a qualified retirement plan, unless the plan permits. You, as IRA owner, are responsible for determining if there is cost basis in your traditional IRA and assuring that cost basis is not rolled over, if the plan does not accept cost basis. Cost basis information should be verified with your tax advisor. Thrivent is not responsible for the accuracy of this information or the tracking of cost basis.

Section 3 - Required Minimum Distribution (RMD) Information

RMD for Qualified Retirement Plans, 403(b)s and IRAs cannot be satisfied from other plan types (e.g. IRA RMD can only be satisfied from IRA, etc.). RMD must be taken prior to sending the funds to Thrivent.

The calculation of your required minimum distribution is based on many factors, including the prior December 31 account balance. The calculation is accurate only to the extent the prior December 31 account balance that was provided to us is accurate. We will not be responsible for an inaccurate calculation that results from providing us with inaccurate account balance information.

Section 5 - Intended Destination of Dollars

Variable Annuity Deposit Notice - The funds requested on this form will be applied based on the most recent premium allocation instructions on record at Thrivent, unless the change allocation box is checked and an Allocation Change/Remittance Request (form 28831) is submitted.

Fixed Annuity Deposit Notice - If funds requested on this form are going into a Multi-Year Guarantee product, the premiums will be allocated according to the allocation instructions on record at Thrivent, unless the change allocation box is checked and an Allocation Change/Remittance Request (form 28831) is submitted.

Section 7 - Notification for Federal and State Income Tax Withholding

You are liable for federal and state income tax, where applicable, on the taxable portion of your distribution even if you elect no withholding. Except where prohibited by federal and/or state law, you can elect: 1) no withholding; 2) withholding at the minimum federal and state rates; or 3) withholding at a rate higher than the minimum rates. You may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate. Check with your tax advisor to determine if withholding is necessary.

Disclosures of Distribution Request

For internal product-to-product transfers, rollovers, or conversions only - Unless otherwise indicated herein, I intend the requested transfer(s) from the distributing contract or fund/account(s) to become effective only if and when:

- Thrivent (including its subsidiaries and affiliates) has approved the application of the amount(s) requested to the receiving contract(s), as described above, or, if not, as I subsequently agree to accept; and
- With respect to any receiving contract(s) that I have applied for, as described above, Thrivent (including its subsidiaries and affiliates) has approved the issuance of the receiving contract(s), as applied for or, if not, as I subsequently agree to accept.

Fixed Indexed Annuity surrenders are withdrawn from the Fixed Account first and will only be taken from the Indexed Account when the accumulated value in the Fixed Account is not sufficient. Surrenders removed from the Indexed Account will not receive any interest credited on the Interest Crediting Date.

Variable or Multi-Year Guarantee product distributions will be taken proportionately from all subaccounts or allocation periods containing a value unless specified otherwise.

Any surrender charges will be subtracted from the amount requested unless you specify otherwise.

Notice to Qualified Plan Trustee(s) - Trustee(s) of Qualified Retirement Plans (such as Money Purchase Plans, Profit Sharing Plans, 401(k) Plans, Defined Benefit Plans, etc.) or 457(b) Plans must provide the Qualified Joint and Survivor Annuity Notice, when applicable, to plan participants. Your Thrivent representative will provide you with the required participant-specific benefit illustration to accompany the Qualified Joint and Survivor Annuity Notice. If a form of benefit other than the Qualified Joint and Survivor Annuity is elected, spousal consent must be obtained. Trustee(s) are also required to provide participants with a Distribution Disclosure Notice.

If you do not have the above referenced notices, Thrivent has generic notices for your use. These notices should be reviewed by your tax advisor to verify suitability for your plan. You are responsible for providing the applicable notices and obtaining any required signatures. Thrivent does not require a copy of these notices be sent to our office.
